How to Get Your Community League Membership:

Membership is open to everyone at reasonable rates. Membership helps to support community league functions, however fundraising activities and grants provide the majority of the funds required for operations, maintenance, and programs. Membership is on an annual basis from September 1st to August 31st. Contact your community league representative:

Catharina Fraser 780-454-0266

Email: catharin@telus.net

Being an active community member comes in many forms:

Volunteerism

Volunteer at a community event, coach a team, or get active on the board of directors - volunteers make your community a fun place to live!

Membership

Purchase an individual or skating membership to help keep community activities viable

Participation

Attend and support community league events and programs

Having a strong community league helps to:

- Promote a safer and healthier neighbourhood
- Increase community spirit and pride through the development of community facilities, parks, playgrounds and community halls
- Assist in developing strong families and vibrant communities through events and programs
- Improve your quality of life by providing opportunities for social interaction with friends and neighbours
- Instill a sense of community
- Ensure that services are cost effective and meet community needs
- Represent you on neighbourhood issues and allocation of resources
- Provide activities for the whole family
- Promote ethnic and cultural harmony
- Increase property values

The Community League Movement

Edmonton consists of 150 (and growing) separate and independent community leagues. Each League embodies the spirit of 'community' where neighbours are encouraged to get to know each other, share in social and recreational activities, and work towards the betterment of the community at large by:

- facilitating healthy and safe communities through affordable recreation, sports and social activities,
- developing, encouraging, and celebrating community volunteers,
- advocating on issues that affect communities, providing a central location for meetings, recreational programs, and social events
- enhancing community infrastructure—parks, playgrounds, facilities

This pioneering and volunteer spirit, upon which Edmonton was established, continues to thrive in our neighbourhoods through the various programs and sport teams that exist in every community league.
