5.2. Donna suggested we let Jim Bohun stand as Raffle Chairman on the AGLC Contact List as he is currently. Jim can advise his acceptance to remain on the Contact List for this position. We are required to name a raffle chairman as this allows Playschool to apply for their raffle license required for 50/50 draw at their annual fundraiser usually held in November.

5.3. David spoke to the Rink Shack repair progress. EPCOR replaced the water meter and the repairs appear to be completed. Guy will confirm if the sink and toilet will be replaced. Servicemasters was issued a key that Guy will ensure is returned when no longer required. They are still in possession as the key box is still on the door. Guy, Steve and David will work to finalize our claim.

5.4. Jennifer Finnegan confirmed that the Port-a-Potty will be removed by the City when the Green Shack program ends.

5.5. The status of the BBQ was tabled until February 2012. We will not be needing the BBQ before next Father's Day BBQ.

5.6. Summer Programs update is covered under Natalia's written report.

Elizabeth confirmed with David Van Meter he will act as Master of Ceremonies for introductions and announcements during the two hour event. Elizabeth is rounding up volunteers to act as greeters, kitchen help, etc. as well as taking table reservations. Elizabeth asked if the executive saw any issues with Playschool Executive not residing in North Glenora representing Playschool at Community Day. The Executive see no problems as the Executive represent and promote the North Glenora Playschool which is offered and supported under the North Glenora Community League. Playschool may have whoever is available represent and promote Playschool on Community day.

NEXT MEETING: Tuesday, Sept 20, 2011

President's Report submitted by David Van Meter

for the August 16, 2011 Executive Committee Meeting

- Responded to 2 alarms this month. The first one there was no indication why it went off. On the second alarm a side door was unlocked and some kids pulled on the door setting the alarm off. Reminder please make sure that all doors are locked before leaving and if the alarm goes off the alarm company calls the hall. If no one answers the phone the security company is dispatched. Please answer the phone and answer the questions or prompts presented to satisfy the alarm company. Please be reminded of the code word you were provided with when given your security code for the alarm system.
- I restocked the kitchen soap supplies.
- Andrea has purchased the required decals and has turned them over to Guy.
- Showed our hall facilities to the city staff prior to our summer programs beginning.
- Arranged for EPCOR staff to replace the water meter which was also damaged during the rink shack flood. We expect a charge to appear on our monthly bill.
- 2010 Financial statements are complete. There is one change to note and that is that there was a write down on our rink equipment due to our plans to remove the rink.
- Due to our late filing of our annual Revenue Canada return for 2009 we have been assessed a penalty of \$2500.00. I have spoken with Revenue Canada about this fine and was advised to appeal the fine and there is a very good chance that it will be reversed. I will report on this next month
- We need to update our board information with Revenue Canada. This has not been done in at least 5 years and none of our current executive is authorized to access our accounts.
- I have received a request from Sue Huff to attend either one of our meetings or one of our community events. I have told her I would bring it up at our next meeting and get back to her.
- I still have to speak to the playschool regarding a lighting upgrade as opposed to windows.
- Once school resumes, I will contact the principals regarding the Snow Busters program.

2nd Vice-President's Report submitted by Natalia Krawetz

for the August 16, 2011 Executive Committee Meeting

Family Activities

Advertised for and almost got a Family Activities Coordinator. The potential incumbent agreed to take the post and we had a detailed initial meeting. Since then her fiancé had a job offer elsewhere and thus they will be moving out of the community in October. Bottom line: Family Activities Chair remains vacant and I will continue to liaise with all family activities coordinators, Playschool and Indoor Playground.

Handbooks: Updated and re-organized the Family Activities Handbook, including written instructions for those serving as contacts for Green Shack and for City programs run in the hall. Prepared a handbook on Movie Nights for the coordinator (with review and comment by David Van Meter, Donna Jackson, Frank French and Pat Lencucha, as well as the outgoing coordinators, Heather & Jason MacDonald). (Since I've already prepared a Welcoming Committee Handbook for the new chair – with the help of C-Anne Robertson – I am obviously aiming for the title, NGCL Handbook Queen.)

Movie Nights: Met with Jennifer and Chet Domanski, new Movie Nights coordinator (Pat Lencucha also attended, to deal with key handover). Jason MacDonald and David Van Meter will be available to help the Domanski for their first night (Sept. 9). The movie will be *RIO*.

QUESTION (from the Domanskis): Can you please get us clarification from the next meeting that movies must only be G rated? Chet and I were looking up movies and actually there are very few movies with a G rating. We also notice Jan, Feb and March movies of this year were all family-oriented movies with a PG rating. I just think it will be hard to draw a crowd if we are limited. Also many G movies are Disney which aren't included in Criterion's selection. We were interested in getting *Kung Fu Panda*, PG rated, for October Movie Night.

CONCERN: (from the Domanskis): What should we do if a bunch of teens come in and try and 'take over' Movie Night? Are other parents present who could help us out in such a situation?

Indoor Playground (from Cara Roemmich): Nothing to report.

Playschool (from Cassandra Chau, new President): First, we would like to thank the Community League for its continued support of the Playschool! We have 8 children registered. Our teacher Danielle Gregoire is excited to return

To encourage more registrations we are holding an Open House on Aug 17 from 11:00 am-1:00pm. A sign has been rented to go up on 111Ave and Groat Rd. We have done a flyer drop in the community. Flyers have been posted on the Green shack, and Safeway. We are looking for a GMU student to volunteer at the school.

Issue of key allocation to be resolved with Pat Lencucha.

QUESTION (from Cara Roemmich): Does anyone know about the shelf in the playschool that is now off the wall? My guess is that the shelf fell and that someone cleaned up a bit after it. No one with the playschool knows anything about it, but we discovered that it was down last week and the items that were on it were laid aside in the playschool.

Green Shack Liaison (Tatjana Sopiwnyk): I met Doty a couple of days after she started and left her my contact information. I checked back just before the middle of July and let her know someone from the NGCL would stop by over the last two weeks of July while I was away. I don't know if anyone did (maybe Dave). She did not have any questions or requests for me in July. She said the kids were great and she wasn't having any difficulties. I have heard nothing from her so far.

City Programs Liaison: (Marg French, David Van Meter, Natalia Krawetz): All went well. Marg French reported the plugged up drinking fountain to Steve Twigg for repair. The first staff member I met with remarked that the hall looked fine except that the floor was in scuffier condition than she remembered from last year.

Hall Garden

Marge Lilley reports good progress on weed control. **ACTION REQUESTED:** She would like someone to remove, hoe out or cut down the weeds at the base of the raised bed. She does not have the strength to do it.

She had one inquiry about helping with the gardens but is uncertain whether or not this person would take over the beds. Another work party is planned and she requested asking for helpers in the newsletter. Request has been submitted to Frank French (Publicity).

Daniel Van Heyst has been maintaining the park bed at 135 Street and 107A Avenue and is now interested in signing on with Partners in Parks for that bed.

Member Inquiries

- Marge Lilley (45+ Publicity) have difficulty accessing the paper cutter because of the defunct computer equipment that blocks it. She inquired as to its intended date of removal. **ACTION REQUEST:** If these items cannot be taken away yet, could they be stored in the Rink Shack so that the table is cleared?
- Marge Lilley inquired about the status of the projector (overheating) and older adults enjoy movie nights but there are concerns about the reliability of the projector.
- Marg Bowler inquired about Westcorp's intentions re-the town house bordering the park. She would like to see a seniors' or adult-only building instead. Directed her inquiry to Planning & Transportation (Suzanne McAfee) for follow-up.

GAIN/Casino

With Donna Jackson, prepared a report on our findings from the GAIN course we recently attended. Contacted David Hill and Bill MacDonald about the new course offering.

Community Day

Propose a Volunteers Table for the Community Day which I will handle. Will also prepare a pamphlet, etc. to encourage people to volunteer.

VAD 2012

Will begin serious investigation of catering options for 2012 VAD. Marg French and I have been in touch.

Our 2011 Society Return was due to be filed at the end of May and were overdue on June 30th 2011. The return MUST include 2 **signed copies** of our Reviewed Financial report from our Accountants, which are still pending. I followed up several times with David Van Meter and he was hoping they would be finalized by this meeting. We cannot apply for our City of Edmonton Operating Grant without this document. I am not sure if we will be allowed to sign the Tripartite Agreement without our 2010 Financials being completed. 2010 Revenue Canada filing also will require a copy of the financials.

Upon receipt of access to our AGLC Web Account, we found that although we had updated all our current executive information for the current year, previous records for Bingo Chair and Raffle Chair were still on record. Upon checking on August 10, our information has still not been updated. After we declare a Raffle Chair I will resubmit advising we no longer have a Bingo Coordinator and naming our GAIN contact as Ryan Young.

I have updated the GAIN report with current AGLC information for presentation at August 16 Executive Meeting.

Orientation Handout and revise as needed.</p> <p>Gaming on Premises (law): The law states that gaming is not is allowed on the premises or to be sponsored by the NGCL unless licensed by the Alberta Gaming and Liquor Commission (AGLC). According to the AGLC’s Gaming Information for Charitable Groups: All gambling is illegal except “for a charitable or religious organization, pursuant to a license issued by the Lieutenant Governor in Council of a province . . . if the proceeds from the lottery scheme are used for a charitable or religious object or purpose.” Only licensed charitable or religious groups may conduct gaming activities in Alberta – that is, activities such as bingo, casino, pull tickets, and raffles. A license is required if a gaming event contains the following three elements:</p> <ul style="list-style-type: none"> • Consideration (payment) • Chance (opportunity to win a prize) • Prize <p>In other words, if someone is paying for a chance to win a prize, AND no skill is involved, a gaming license is required.</p>	<p>Update Page 13 of Orientation Handout – Completed</p> <p>Review Page 20 of Ops Manual</p> <p>Action: Donna to ensure our Ops and Orientation handout are updated with the latest information published in the AGCL GAIN printed material.</p>

<p>RAFFLES: To hold Raffles (as Playschool as done and as we might), a Raffles Coordinator needs to be appointed and AGCL notified.</p>	<p>Appointment required by Exec Ctte motion. Donna to put on Agenda for next meeting. Once appointment is ratified she will notify AGLC; then Natalia will notify Playschool, in case of future raffles.</p>	<p>weeks in advance of AGM date). <p>CHANGES: Notifying AGCL must be notified IN WRITING of any changes to: Executive (this is key Executive who have signing authority, plus Casino and Raffle Coordinators); objectives; by-laws; use of proceeds; facility agreements.</p>	<p>Donna to revise Secretary's Manual & Ops Manual to incorporate. Donna to ensure copy of new lease & bylaws are sent after signature.</p>	<p>Action: Donna to update AGLC with Raffle Coordinator after one is appointed Aug 16 Exec Action: Donna to update AGLC after 2008 Bylaw amendment is updated</p>
<p>RAFFLES: For raffles under \$10,000, monies go into the General Account, not a gaming account. This may be a way of raising additional funds.</p>	<p>Treasurer /Exec Ctte to note.</p>	<p>Info</p>
<p>LATE FILING (FINANCIAL): AGCL is tightening up its response to late filing of financial reports. Now groups are being suspended for late filing. AGCL sends a letter to the organization's board and if filing is not within the requested timeframe, the organization is suspended; when reinstated, it loses its place in the queue and goes back to the end of the line. Apparently they are becoming very serious about clamping down.</p> <p>FINANCIAL REPORT PREPARATION: For preparation of financial reports, an organization can hire a qualified professional (qualified as defined by them) and paid for by gaming funds. In that case the organization just has to submit bank statements. Cancelled cheques and receipts are not submitted but must be retained for 2 years. Alternatively, the organization can submit full information. Advised to set up a two-binder system: one binder for originals, making a copy of each document as it is received; copies go into other binder (for submission). This saves time in the long run.</p> <p>RETENTION OF PROCEEDS: If you retain proceeds after the time limit, you may be fined, have your license removed or be required to donate the funds to another organization. The presenter knew of no case where the requirement for donation was enacted.</p>	<p>Ryan and Exec Ctte. to note. What was filed in May 2011 – Financial or Use of Profit?? See Casino Reports following pages</p> <p>Ryan, note for consideration.</p>	<p>Action: Ryan to determine if we have filed everything required and if we are up to date.</p>
<p>USE OF PROCEEDS: Wages & Salaries vs. Facility: Janitor considered part of Facility and thus a Wages & Salaries form is not required.</p> <p>BANK RECONCILIATIONS: Recommend that monthly bank reconciliations be done by someone other than a person who has authority to sign cheques. Helps avoid fraud.</p>	<p>INFO: Aug 10 2011 – showing \$0.00 – see screen shot from website</p> <p>Ryan and Exec Ctte. to note.</p> <p>Ryan to note.</p>	<p>Action: Ryan / Kurena continue with copies for easy compilation of next Casino financial report</p>

Revenue Exceeding 2 Years

FOR
North Glenora Community League

Retention of gaming proceeds for more than two years without prior approval from AGLC contravenes the 24 month gaming proceeds spending policy.

Requests to retain funds beyond the 24 month limit require a business plan signed by two executive members that includes:

- The purpose for which the funds will be used
- A dollar amount requested to be retained
- A projected disbursement date for the funds

If you require assistance please contact an AGLC Licensing Clerk
 Toll free 1-800-272-8876 or 780-447-8800.

To view policy see http://www.aglc.gov.ab.ca/policies/useofproceeds_guidelines.asp

The Balance shown below is a calculation of the net gaming proceeds from Financial Reports received and reviewed. This is not an indication of your current bank balance(s).

Based on Financial Reports reviewed by AGLC the balance of Gaming Revenue exceeding 2 years is: **\$0.00**

Further inquiries regarding the balance may be directed to a Team Leader, Financial Review.
